Hi to All

A big Thank You to Peter Wise for his presentation on his methods of growing orchids.

Congratulations to Margaret for plant of the night and to Kim for popular choice at the last meeting.

What a great show at Rosemeadow!

Congratulation to all the winners.

Plenty of sales plants which Margaret really appreciated on the day.

Oran Park show on Sat 22nd October, set up 7.00am until 4.00pm, just in front of Donut King. Lots of sale plants will be needed, as there were none left at 9.30am last year. As this is our first show at Oran Park, let's make it a good one. Schedules available at the meeting.

**Tuber sale night at the November meeting, so tubers will be needed on the night.**

Xmas Hamper donations are now being accepted.

Wally

Please note **Membership fees are now overdue.**

## **VALE Peter Gibson.**

It is with sadness that I record the passing of Peter Gibson. He was a long time grower of orchids and especially sarcochilus, winning championships at many shows. Peter was an experimenter in growing his orchids and was always happy to discuss what he was doing. His talks, given freely, were always interesting. Peter was a Judge with OSNSW and was always measured in what he spoke about. His loss to the orchid world is substantial and I for one will miss his company and advice. Our sincere sympathy goes out to Rose and Peter's family.

Peter's funeral will take place on Wednesday 19<sup>th</sup> at 11am in Rookwood Catholic Section and held in Mary Mother of Mercy Chapel. VALE.

Editor' Note. I have had a few hiccups with my computer service and trying to have the service restored by Telstra..

I usually would place an article here but time to send this out to you all now, is important to spread the news Regarding Peter Gibson.

Regards to all
